## ABOUT ADVOCATE CONSULTING GROUP

Advocate Consulting Group is a Service-Disabled Veteran-Owned Small Business (SDVOSB) that specializes in providing resources for the medical community, the U.S. government, and beyond. We offer a wide array of POC and OTC medical test kits, certified PPE items, and medical devices. We have a reputation for reliability and execution, and we can service orders of any size.

## CORE COMPETENCIES

Our team has well over 100 years of combined experience in medical procurement and logistics and has successfully executed transactions of all sizes.

Our distribution partner successfully procured, sold, and delivered millions of COVID-19 tests over the past year and regularly coordinates significant pallet and container orders to a variety of locations simultaneously.

With our manufacturing partners, we have the ability to execute orders of any quantity and size for commercial and government institutions.
